

The Grand Knight's Message

Brother Knights: I look forward to working with you as we embark upon a new fraternal year. It's good that we hit the ground running in August with the family swim party, the sportsman's banquet, and working the home football games for St. Joseph school. September will avail us the opportunity to catch our breath.

My wish for this year is to continue the mission handed to me by all the past Grand Knights. I would like to thank them for their commitment and dedication. While the torch has been handed to me, rest assured that I am only a voice for you.

Again, it is my honor to work with you as we continue to build on the success of the Council. Dedication to our faith, parish, and community should be the legacy we as Knights strive to achieve as we depart.

God's blessings, Terry

K of C Field Agent News

The objective of the offensive line in football is to protect the quarterback. To do this, the line must be strong and reliable. Your family must also be protected. The one sure thing that will protect them is strong and reliable life insurance.

10TH ANNUAL SPORTSMAN'S BANQUET ALMOST HERE

If 400 tickets and 35 tables were already sold in early July, you might ask "What else is needed to make the event a success?"

The answer is YOU. Schedule time on and before August 27 to help. Workers are needed on the

previous two days to get pre-meal food items prepared. On the day of the event, workers must step up to work in the morning, afternoon, and/or evening. Door prizes and silent auction items are still needed. While in town shopping some day soon, pick up a

\$20 to \$30 item as a donation to the cause.

You might also want to know who to contact to offer your help. No need to go any further than to Charlie Ballew. Contact Charlie at (979) 822-2990 or cballew@suddenlink.net.
