### OCTOBER COLUMBIA...SUPREME KNIGHT'S REPORT...!!!

Each year our Supreme Knight Carl Anderson gives his annual report at the Supreme Convention! This report highlights the various fraternal and financial achievements of the Knights of Columbus throughout this past fraternal year. This report is then published in the October issue of the Columbia magazine for all members to review. Each year, I read this report and am amazed at the many ways the Knights are making a difference in the world which we live. I look at the Millions of volunteer hours of service that is given to help those in need, the many Millions of Dollars of charitable goods contributed for the greater good, the various programs designed to protect life in all its stages, the unwavering support of our faith and the tireless efforts to promote and support vocations and I am in awe of the amount of good we as a group do each and every year.

Then I turn my attention to the mission in which the Venerable Father Michael J McGivney so desperately wanted this organization to be established for...To provide financial protection for Catholic Families! Each year I am amazed at the financial accomplishments of the Knights of Columbus insurance program. It is truly amazing to see the growth of the Knights of Columbus even during this most recent economic downturn. When the financial industry as a whole took a dive, the Knights of Columbus continued to prosper. This has been the case throughout the History of the Knights of Columbus. During the good times as well as the bad times the Knights of Columbus continues to provide rock solid financial protection for members and their families!

I encourage you to make it a priority of yours to read this edition of the Columbia magazine. This report will enlighten you on the various fraternal and financial highlights of the Order! The mission of the Knights remains simple...To protect, promote and provide for our faith, our members and their families. In reviewing the Supreme Knights report it is safe to say the Knights of Columbus are on track to continue to do this.

After reviewing this report, I can only hope you come to the same conclusion as I have...The Knights of Columbus are truly committed to our Faith, our Members & their families! While there is no requirement for participation in the various fraternal or financial programs, your participation is encouraged. If you are only paying your dues, you are missing out on something special here. The fraternal programs are only limited by your imagination & the financial programs are second to none! The members who have entrusted their money & financial protection to the Knights of Columbus have been generously rewarded! The Knights would like nothing more than to bring financial safety and security to every Knight and his family! But, if that is to happen, you must take the first step...Contact your local field agent Doug or Jody Supak to ask him to share with you the various savings, retirement, life, disability or long term care insurance programs the Knights have to offer you. Doug and Jody can be reached at (979) 968-5332, at 130 S. College St. in La Grange or email them at [supakins@cmaaccess.com](mailto:supakins@cmaaccess.com) Your membership in the Knights affords you this opportunity...What you do with this opportunity is up to you!!!
