KNIGHTS OF COLUMBUS INSURANCE

DOUG'S RECOVERY, SAVINGS RATES & WHOLE LIFE...!!!

As many of you are aware, Doug has been recuperating from his quadruple bypass surgery over the past couple months. Thankfully all has gone pretty much according to plan. While he still has quite a ways to go for full recovery he has been released to return to work under limited duties. On behalf of the entire Supak family, we would like to thank everyone who prayed, sent cards, emails, called, stopped by or even for just a moment thought about him. The Good Lord has blessed Doug and through his mercy has allowed him to return to continue to do his good works under the banner of the Knights of Columbus! We are so thankful for your patience and understanding during this trying time & want you to know we are somewhat back to normal now!

News Alert...Interest Rates are at all time lows!!! Like I needed to tell you that? Each week I receive a list of the average interest rates being offered on different accounts such as savings, money markets, C.D's & other fixed accounts at various institutions throughout the country! In viewing these rates, I was wondering if they could go any lower? My first thought was certainly not, but, then I thought, what would keep them from going down to 0? There aren't any guarantees they won't, but, certainly hope they don't! That's when my attention turned to the KofC's Insurance, Savings & Retirement Accounts! A place where I have a large portion of my money invested, as well as do many of my clients! I was relieved to know & you should be as well, each one of the Knights accounts carry a minimum guaranteed interest rate which is much higher than the accounts mentioned above. In fact, my IRA's & Annuities have a guaranteed interest rate of 3.50% & my life insurance has a minimum rate guarantee of 4.0% as do most of my clients accounts. The lowest minimum rate guarantee the Knights offers is 3.0% on the newer flexible premium annuity accounts. That's triple the rate the aforementioned accounts are offering!

I encourage you to take a look at your savings, retirement & life insurance plans to see what they are offering you! I would venture to say they are not doing as well or better than what the Knights are offering you! With that being the case, call on your Field Agents Doug & Jody Supak to assist you with your financial & insurance needs. The Knights have the Products, Your Agents have the expertise & Knowledge & you have the needs, so, contact Doug or Jody today. They can be reached at (979) 968-5332, at 130 S. College St., or at supakins@cmaaccess.com
