MERRY "CHRIST"MAS & HAPPY NEW YEAR...!!!

My, oh my, where has this year gone...??? As we enter into this Holiday Season upon which we celebrate the birth of our Savior, Jesus Christ we have so much to be thankful for! While there are good times and bad times, trials and tribulations, thru it all we hold onto the belief that one day we will all be reunited in our heavenly kingdom to spend an eternity with God.

We are only here on this earth for a short period of time to serve our Lord in the best way we know how! As those who lost loved ones know, that time seems to be all too short! Because of this we all need to be prepared for this transformation at all times. Many of us take it for granted we are guaranteed tomorrow. Once again, for those who lost a loved one knows, tomorrow is not guaranteed. It is devastating to lose a loved one and can be even more so if we are not prepared financially.

With this being said, I know in my heart of heart that is why the venerable Father Michael J. McGivney brought a group of Catholic men together to start this wonderful organization. He wanted an organization that would help Catholics form themselves in their faith and to help them be prepared for that day when the Almighty Lord truly brought them home to his kingdom! He wanted Catholics to be prepared spiritually and financially for that day...!

We thank Father McGivney for his tireless efforts of not only getting this organization started, but, for setting the foundation upon which all decisions are made for the greater good of our members and their families. It is this guiding force which has continued to shape the decisions of those entrusted to carry the torch of this organization over the years. Almost 130 years later, I know Father McGivney is not surprised, but amazed at what this organization has done for Catholics and those in need throughout the world in which we live! He's proud of the Billions of dollars of charitable dollars and volunteer time spent helping others. But, I truly believe he is the proudest knowing the Knights have helped so many Members secure financial security thru the savings & insurance program he put in place many years ago. The financial program was at the forefront of his thinking when starting the Knights of Columbus and continues to be at the forefront of the Knights today.

The Knights would like nothing more than to be your insurer & the one who provides security for your savings and retirement accounts. If the Knights are not your insurer or the one who is providing financial security for you we ask for you to check out what the Knights have to offer you. The Knights programs are designed for the benefit of you, not the other way around. Contact your local Field Agents Doug or Jody Supak today to find out how the Knights programs work and how they can benefit you. Doug & Jody can be reached at 130 S. College, at (979) 968-5332 or email them at supakins@cmaaccess.com

We Thank You for allowing the Knights to be a part of your life and want to take this time to wish each and every one of you a very Merry Christmas and a Happy New Year!!!
