### NEWS

The installation of officers for our assembly will be held at our next meeting in Somerville, on July 11. This is one of the two times a year when the wives are invited to attend. The dress for this event is your tuxedo along with your social baldric. The dinner will be catered by Mantey Catering from Somerville. The Brenham Assembly will join us for this installation. Please make plans to attend.

We will have our next fallout in Somerville on July 17, with the approval of Father Nock. He is out of town this week, so I am not able to check with him before the newsletter goes out.

Our condolences go out to Fr. Brion Zarsky, his mother, sister, and brother, on the death of his father. Mr. Zarsky will be remembered for his untiring work in the pro-life movement in Texas.

### A NOTE FROM THE EDITOR

We are now back from our trip to southern Utah, and are resting up from our vacation. Ten days and 3200 miles was enough for us. We traveled through some of the most beautiful parts of our country, so it was well worth the time spent. We went to the Grand Canyon, Zion Canyon, Brice Canyon, Kodachrome State Park, and Canyonlands National Park. We also drove up Hgy. 12, between Escalante and Torrey Utah, which included a stretch along a mountain ridge, that was almost straight down on both sides of the road. If you have never been to southern Utah, it is worth looking into, if you like beautiful scenery.

We thank the Knights who attended the confirmation in Caldwell on June 18.

"Many public-school children seem to know only two dates: 1492 and 4th of July; and as a rule they don't know what happened on either occasion."

- Mark Twain

May the glory of Independence Day  
 Remain in mind in heart  
 May we cherish our hard-won freedom  
 That it never falls apart.

Because those who walked before us  
 Believed in freedom's cause so much  
 We can carry forth a torch  
 Of honor and 'In God We Trust'.

That first Independence Day  
 More than two centuries past  
 Must live forever in our thoughts  
 Never forgotten - never a lapse.

It is a precious land we hold  
 In safekeeping for our children  
 That they, as we, may enjoy  
 Lives bountiful, worth living.

May God's blessings ever  
 Ring out  
 Over all our land  
 A toast of praise we raise today  
 Americans - join hand in hand!
