Brother Knights,

It is with great pleasure and honor that I embrace the office of Grand Knight. I have been blessed with a strong council foundation through the great leadership from the past Grand Knights and our new slate of officers.

I must tell you that I am a goal oriented person. My goal is for us to achieve Star Council and the Lone Star Award with distinction. These are not easily attainable and it will rely on the pillars of membership that our council is blessed to have. Two items are key in my mind for this goal to be accomplished. We must communicate effectively and participate extraordinarily.

With these two qualities in mind I have started a Facebook group and have invited as many as I could that have befriended me on the networking site. If you have accepted the invitation please invite others that are a member of Council #2971. I have also made a new email address, it is kofc2971@gmail.com. All of these things are to ensure that everyone communicates and has a chance to participate.

To help curtail the additional expense of bulk mailing our newsletter each month, I would for everyone that has an email address to please email kofc2971@gmail.com and please include your cell phone number in the body of the message. We will continue to mail the newsletter to those that do not have an email address, but we could cut our spending substantially by not having to mail 202 items each month. We will also be posting the newsletter online at www.tkofc.org.

Brothers we have some major fundraising events ahead of us and the first is the Pork Steak Drive-thru Meal set for Sunday, August 22nd. As you know there are some parts of our hall in disrepair. As a council we must take an active part in the preservation of our livelihood, the hall and raise funding for repairing and renovating many items. We will need as many hands on deck as we can get to make our Meal a success. Also on August 28th the Emotions will be hosting a dance open to the public. It will only succeed if we promote it and come out to support Bob's Crew on the 28th (Bring your wife and a snack or dessert).

Lastly, our council must continue to grow in ACTIVE membership to ensure that the council moves forward. If you know of anyone that could be a potential member, please ask them to join. Many don't join because they have never been asked. A Membership Blitz is in the works for August to help spawn potential members. In closing, thank you again for your continued support as Grand Knight.
