Faithful Navigator's Message*SK Pedro Ybarra, Faithful Navigator***REPENT AND BELIVE IN GOSPAL!**

Greetings Sir Knights,

Blessings to you and your families, may you be enjoying the Kingdom of God.

A new priest was nervous about hearing confessions, so he asked an older priest to please sit in on his sessions and the older priest accommodates.

The new priest hears a couple confessions,

then the older priest asks him to step out of the confessional for a few suggestions.

The older priest suggests, "Cross your arms over your chest, and rub your chin with one hand." The new priest follows the suggestions and does it.

The older priest now suggests, "Try saying things like, 'I see, yes, go on, and I understand and how did you feel about that?'" The new priest repeats the suggestions.

"Now, says the older priest, don't you think that's a little better than slapping your knee and saying 'No kidding'?!? What happened next?"

(continued from pg 2)

Lent is upon us and it's time to repent and start off again with a clean slate. (soul) We are called to go to confession during lent, but why?

Jesus entered this world to forgive sins. Recall the words of our Lord: "God so loved the world that He gave His only Son, that whoever believes in Him may not die but may have eternal life." (Jn 3:16) During His public ministry, Jesus preached about the forgiveness of sins: remember the parables of the Prodigal Son (Lk 15:11ff) or the Lost Sheep (Lk 15:1ff), and His teaching that "There will likewise be more joy in heaven over one repentant sinner than over 96 righteous people who have no need to repent." (Lk 15:7) Jesus Himself forgave sins: remember the story of the woman caught in adultery (Jn 8:1ff) or the woman who washed His feet with her tears. (Lk 7:36ff)

He also taught us to pray for forgiveness in the "Our Father:" "Forgive us our trespasses as we forgive those who trespass against us." His mission of reconciliation would climax in His passion, death and resurrection: Jesus suffered, died and rose to free us from sin and death.

However, Jesus never trivialized sin or rationalized it. No, for Jesus, sin is sin, a violation of love against God and neighbor.

By confessing we take full advantage of this beautiful sacrament which draws us closer to the Lord.

THANK YOU

I would like to thank Brother SK Al Burger and Brother SK Santo Estrada for stepping up and volunteering to help me with the printing of the Beacon newsletter a couple of months ago. My old HP DeskJet 9800 was just taking so long to print the news letter to the point that I said I

FUND RAISING

Why are we always bringing up fund raising?

The Knights of Columbus is also is a Catholic family fraternal service organization that provides members and their families with volunteer opportunities in service to the Catholic Church, their communities, families and young people.

Just like every council, the assemblies also have charities that need contributors. Fortunately we all belong to councils and through our councils we are (or, should be) already involved in fund raising. Different assemblies have different methods of raising funds. Fortunately again, our assembly is located at the Highland Columbus Hall where we get ready made customers that are ready to buy. Unlike councils our assembly doesn't have to plan, scramble for the supplies, materials, location and man power to have a single fund raiser. Ours is ready planned out and ready made, we just need the manpower.

That's where you come in, all you have to do is come in on your scheduled time and help out from 5:30 PM to about 9:00. The problem is only a few, a very, very few members are turning out to help. Fortunately, again, we have a few responsible Sir Knights that that continually come in and we have a few that are on call when we are in a real pinch for help.

SO, WHAT'S THE SOLUTION?

Again, not knowing all of you and not knowing your situations, I've scheduled everyone that doesn't work the bingo floor every Tuesday and Friday to help out in our fund raiser ONE night, maybe twice a year. I've even arranged to call you and send you an email, if you have email, one day before your scheduled time which is listed on the calendar, in the Beacon.

(Continued on Pg 4)

Continued from pg3

SO, WHAT'S THE SOLUTION?

That doesn't look like it's working either.

So, frankly speaking, I am looking for a way to provides our assembly members and their families with volunteer opportunities in service to the Catholic Church, their communities, families and young people.

OPT-OUT BENEFIT

If, you do not, want to participate, in the assembly's Tuesdays and Fridays fund raising efforts, you may opt-out, by contributing, one hundred and fifty dollars, to the assembly's charities programs.

To contribute one hundred fifty dollars, to the assembly's charities programs, and opt-out, of participating in the assembly's Tuesdays and Fridays fund raising efforts, please contact me, Sir Knight Pedro Ybarra, Faithful Navigator, at 210-411-2285. If you cannot contribute to the assembly's charities programs and cannot work your schedule kindly call me so we may discuss your situation.

ASSEMBLY COLOR CORPS/HONOR GUARD CERTIFICATION IS FINALLY HERE

Mark your colanders; March 4th at 7:00 pm we, assembly 1855, will hold it's maybe first, or at least once again in many years, a Color Corps/Honor Guard certification training at the Highland Columbus Hall, at 5721 Hwy 87E. As of today we have 16 members who have signed up for the training. Either the Master, SK Joe Rodriguez or one of his Marshals will do the final certification. As mentioned in last months Beacon the candidate trainees, once certified will receive their Certification Card signed by the Master and an Honor Guard Lapel pin which will be provided by the assembly. There is still time to

sign up, Call SK Jesse Aguilar, CCC at 210-534-1943 or 210-464-5601 or email him at jesseaguilar@satx.rr.com for a head count.

MEMBERSHIP DUES

The final billing has gone out, it was a little late due to last month's error made on the KofC web site. There are about 25 members that have not paid their assembly dues.

If you haven't paid your dues please do so before March 17th as suspension letters will be going out on that date.

Membership Dues of twenty two dollars (\$22) and Honorary Life dues of ten dollars. (\$10) Disabled and serving military personal are exempt form paying. Please submit your application if you qualify for an exemption.

Shirts and hats that were ordered through the assembly and not paid for are added to your dues billed.

Faithful Comptroller, SK Rudy Tabbutt had surgery on his shoulder but is now back and continuing to collect dues and resuming his normal duties as Faithful Comptroller. Thank you, Lady Martha Tabutt, for helping SK Rudy with his shores.

ASSEMBLY NAME CHANGE

We are still waiting for Archbishop Gustavo to approve our Assembly name change. I beginning to think our paperwork has gotten lost in the paper scuffle. I will start writing to the archbishop next week.

Father Jonathan D. Kalisch, OP

Director of Chaplains and Spiritual Development

On Jan. 22, at the 2015 March for Life in Washington, D.C., many of us had the experience of witnessing the ongoing commitment to the culture of life that has spread all across America. A visitor from Poland relayed how the community and solidarity he saw at the march were akin to what he experienced during the days of St. John Paul II's 1979 pilgrimage to Poland. That visit, which was John Paul II's first to his native country after being elected pope, inspired great hope among Polish Catholics.

For myself, as I saw thousands of young people, religious and seminarians take part in the annual march, I recalled the words of Pope Francis: "Wherever there are consecrated people, seminarians, men and women religious, young people, there is joy, there is always joy! It is the joy of freshness, the joy of following Jesus; the joy that the Holy Spirit gives us, not the joy of the world. There is joy!" (Meeting With Seminarians and Novices, 6 July 2013).

In his letter establishing 2015 as the Year of Consecrated Life, our Holy Father reminded religious of their special call to spread the spirituality of communion and to live the prophetic nature of their vows: "I am counting on you 'to wake up the world,' since the distinctive sign of consecrated life is prophecy. ... 'Radical evangelical living is not only for religious: it is demanded of everyone. But religious follow the Lord in a special way, in a

Programs Director

Greetings Brothers, Sir Knights,

Our Assembly had many firsts this month. First off, kudos goes to Sir Knight Michael and Janice McMahon

from St Ann's Church in La Vernia, Council 12208.

SK Michael was presented with the Lumen Gentium Award. This honor is presented to Catholic lay persons who have accomplished extraordinary feats in spreading the word of our Lord Je-

sus Christ.

Brother Michael and his wife, Janice, certainly fall into this category. They, along with a few other dedicated individuals, have been the go-to people at St. Ann's for many years, from purchasing, preparing and displaying our beautiful floral designs for our altar each Sunday, which they have done religiously (excuse the pun) for over six

years, to helping out as Mass coordinators (along with others to bringing us the wondrous Jeff Cavins bible courses, which have shed grace on so many of our church parishioners for several years now. So congratulations Michael and Janice for doing a fine job.

Kudos also goes out to Sir Knights Victor Quesnot and Jesse Aguilar. SK Jesse and I attended and assisted the installation of officers of a new Council which recently broke ground at the Mission San Juan de Capistrano. Also present at the installation of officers were SK Ernie Peña and SK Eddie Salazar, a couple of our Assembly's new members.

Sir Knight District Deputy Victor Quesnot explained some very interesting and fun facts behind the creation of this Council. He told us that the first time he and Sir Knight Joe Torres from State had difficulty finding Father Jim Galvin's house, they actually spoke to the park ranger who informed them that the Father's house was originally a barracks for the Fort's Colonel. You see, Mission San Juan de Capistrano was built in the 1700's and is a historical site! This, my friends, is no misprint: I said the 1700's.

So when Sir Knights Victor and Joe found Father Jim's quarters, which was right next to the old church, Father Jim was in consultation with a family. Father answered the door and explained to them that he was busy at the moment. Victor piped up to make clear to the Father that they were from the Knights of Columbus and they wanted to talk to him about starting a council and that it would be no problem for them to wait for him in the parking lot. Father Jim closed the door. Before they got ten feet down the sidewalk the door opened again. It was Father Jim and he was beaming as he explained that the family consultation could wait.

He went on to say that for over twenty years this was a miracle he had been waiting for! Apparently he had run into a bunch of roadblocks when he had initially wanted to start a council years before. Victor and Joe clarified the workings of how a council was formed and how it was only through the Knights of Columbus that one could be formed. Father was so excited and several times SK Victor had to remind him that he had a family consultation still waiting for him. He finally broke away and said that they would have a second meeting in the near future.

When SK Victor arrived the second time, he was told Father Jim was called away for a very important meeting with Archbishop Gustavo. So SK Victor was on his way out of the parking lot when Father Jim passed him racing back into the parking lot. "Hi Father, I thought you had a very important meeting with Archbishop Gustavo," SK Victor said. Father Jim said he did, but that when he explained to Archbishop Gustavo that he had given up an appointment with SK Victor to start a new Knight Council, Archbishop Gustavo immediately dismissed Father Jim, gave him his blessings, and said "That's much more important than this meeting with me," and sent him packing, demonstrating how important Archbishop Gustavo feels the Knights of Columbus are.

When SK Victor talked to Father Jim the second time, Father Jim told him that they may have to put the starting of the new council off for a few months. He went on to explain that a new housing division was starting up and Father needed his men to go out and meet the new neighbors, but SK Victor very patiently enlighten Father that this was exactly what the Knights of Columbus do. SK Victor also explained that the guys in the church were really excited and eager to start the council ASAP. So from that point forward the

starting of the council was put on a fast track. At the installation of Officers Father Jim announced that this was the first council to be formed in a Mission in the State of Texas and very possibly the entire United States. Another interesting occurrence was that the Archdiocese of Laredo, which also has Mission churches, wanted to form a council before Mission San Jose de Capistrano was installed. SK Victor said the Mission San Jose won out Laredo's council by 10 days.

So a big congratulation goes out to Sir Knights Michael McMahan, Victor Quesnot, Joe Torres, Jessie Aguilar and most importantly Father Jim Galvin and the newest council of Mission San Juan de Capistrano!

prophetic way." Apostolic Letter, 21 Nov. 2014).

Speaking also to members of the laity, Pope Francis asked that the whole Church draw near to religious and consecrated persons so as to respond together to the promptings of the Holy Spirit. Can our brother Knights also assist by coming together and arranging to be present in new and specific ways to the religious and missionary communities around them? The spirituality of the Knights of Columbus does not limit itself to a particular religious family or charism, but is open to the whole communion and patrimony of the Church. Perhaps each council could reach out to nearby religious and consecrated communities, inviting their members to share their history and charism, offering new opportunities for collabora-

collaboration, evangelical charity and support. I am speaking not only about new “work projects” for our councils, but also about really taking the time to understand the history and spirituality of these religious communities, so as to see where their joy can assist our men in the evangelization and support of our K of C families.

How can this year of grace for consecrated life impact our brother Knights? Pope Francis writes: “I ask all of you to draw close to these men and women, to rejoice with them, to share their difficulties and to assist them, to whatever degree possible, in their ministries and works, for the latter are, in the end, those of the entire Church. Let them know the affection and the warmth which the entire Christian people feels for them” (Apostolic Letter, 21 Nov. 2014). Let us help our brother Knights to reach out in support of all forms of consecrated life, whose vocations compliment that of every Knight and his family, helping to “wake up the world.”
