From the Faithful Navigator

Worthy Sir Knights:

I wish to thank those of you who are sending in your dues. When seeing and processing these checks I can't help but notice many of them are sent by wives. For his I thank them for sharing with us your time and effort in the many activities of the 4th Deg. Remember Father Michel McGivney established the Knights some 130 years ago to provide self-insurance and as a pay it forward pact amongst the Catholic men in the area to take care of the widows and orphans of our deceased brothers. As I go through the meager records I do not see a widows list. I now ask you to go back to your councils, ask for their widows lists and if any of them were married to 4th Deg. members? If no list exists start one. We need to get back to our fundamentals of helping each other in our time of need and remembering that our brother Knights leave family behind when they pass.

The Lord Bless You

1097 Faithful Navigator *SK Steve Richardson*

For those of you wondering about the IRS and our form 1024. We received this correspondence from the IRS Sept 23rd.
Dear Applicant,

We received your application for exemption from Federal income tax and your user fee payment. During the initial review process, applications for exemption are separated into three groups:

1. Those that can be processed immediately based on information submitted,
2. Those that need minor additional information to be resolved, and
3. Those that require additional development.

If your application falls in the first group or second group, you will receive your determination letter stating that you are exempt from Federal income tax or a request for information via phone, fax, or letter. If your application falls within the third group, you will be contacted when your application has been assigned to an Exempt Organizations specialist for technical review. You can expect to be contacted within approximately 90 days from the date of this notice.

I hope we fall in the first two groups, will try to keep everyone posted.

Special Call Meeting was held August 18th. We voted to accept new Bi-Laws.

There was a special call meeting Aug 18th for the purpose of updating new Bi-laws. A quorum of 23 members voted to accept the bi-laws . It will take six to eight weeks to have new Bi-Laws printed up, I will post a PDF on our web page at the chapter site.
