### A NOTE FROM THE EDITOR

We ask you to continue to pray for rain in our area and across the whole State of Texas. With the high winds over the Labor Day weekend, we can expect high fire danger to go along with the extreme drought conditions. I will leave the prayer for rain on the back of our newsletter as a reminder for us to pray daily for the blessings of rain. Even if you don't have time to recite this prayer, an "Our Father" or "Hail Mary" is something we can do at any time.

Our family received word late Saturday night, that my brother James passed away in Methodist Hospital. He had been in ICU there since receiving a stint to correct an aneurysm on July 27. His death is another example of how we should always be prepared to meet our Maker, as we never know what circumstances tomorrow will bring in our lives.

## PRAYER FOR RAIN

Heavenly Father,

We believe that it is You, who created our world with all of its beauty and life.

We believe that it is You, who put into place the systems of nature that sustain, nurture and renew this work of your hands.

We believe that it is You, who hears Your children when they call upon You.

Hear then, this prayer which comes from a heart filled with confidence and trust.

Grant to us and to all who seek it, the gift of a bountiful rain.

Water our lands so that they may once again spring to life and reflect the beauty of Your creation.

Fill our lakes and rivers with sufficient rain so that they may continue to provide life-giving and refreshing water to all who depend on it for their livelihood and well being.

Do not let many more days pass without sending us the most needed blessing so that we, your people, can once again praise You for all that you do for us.

We ask this in the name of Jesus, Your Son, who lives and reigns with You and the Holy Spirit, God forever and ever.
