## Grand Knight's Report

### Brother Knights and Families

“The happiness you are seeking, the happiness you have a right to enjoy, has a name and a face: it is Jesus of Nazareth, hidden in the Eucharist. Only He gives the fullness of life to humanity!” --Pope Benedict XVI, 18 August 2005

Happiness and fullness of life. Pope Benedict XVI makes it clear that finding them is simple. They lie in Jesus; the same Jesus who is present to us every day in the blessed Eucharist, the same Eucharist that is present to us every day at Mass, in the tabernacle, and in Eucharistic Adoration.

“The Eucharist is the source and summit of Christian life” (CCC 1324) because it is Jesus Himself, Body, Blood, Soul, and Divinity. When we receive Holy Communion, we unite ourselves to Him. By having this relationship with Jesus in the Eucharist, our entire lives can be transformed.

Lent is a time for making changes and transforming our lives in ways that bring us closer to Jesus. That can mean removing obstacles that keep us away from Him, but it can also mean adding new activities that enhance our relationship with Him. If you are not already doing so, please consider adding some prayerful activities to your life outside of Mass that bring you closer to Jesus. It does not have to be overwhelming. It can be as simple as some time spent reading, reflecting, and praying. However, nothing will be more powerful or life changing than spending time in Eucharistic Adoration. The parish has already challenged each of us to attend Eucharistic Adoration at least once during Lent this year. I encourage you to do so more often.

Happiness and fullness of life. As Brothers, we should all be seeking these for ourselves, for one another, and for our families. We already encourage one another to establish loving homes that cultivate virtue and holiness. Now, in this year of National Eucharistic Revival/Renewal, let us also encourage one another to establish deeper loving relationships with our Lord thru Eucharistic Adoration. Grab a Brother and take him with you or bring your family along if you find it difficult to attend Adoration alone. If you lead, they will follow. Simply attending Eucharistic Adoration could be a turning point in each of our lives.

If you were unable to attend the Watoto Children's Choir performance at the parish, I'm sorry for you. If you chose not to attend the choir's performance, I'm even sorer for you. It was an incredibly joyful communion of God's children from around the world unified by our common faith and love of God. It was fun, inspiring, and uplifting in a way that the soul hungers for during the dry and difficult season of Lent. Please don't let rare opportunities like that pass you by in the future if you can avoid it. You just never know what positive impact they may have.

Thank you to all Brothers, Ladies, and family members for all your hard work during this season of Lent, particularly the weekly fish fries. I pray everyone has a spiritually enriching Lenten journey toward a greater relationship with our Lord.

Let the blessed Eucharist lead your way!

*“We become what we love and who we love shapes what we become.”* --St. Clare of Assisi

*“All the answers are in the tabernacle.”* --Matthew Kelly

**Please pray for the canonization of Blessed Father Michael McGivney and continue to spread his mission by sharing the Knights' opportunity with every Catholic man you can.**

#### **Spiritual Practices and Devotions for March**

The month of March is traditionally dedicated to Saint Joseph. Consider adding the following to your spiritual practices this month:

- Choose a prayer to St. Joseph to pray every day.
- In celebration of St. Joseph's feast day this month, learn more about him through *With a Father's Heart*, the Knights' study guide on Pope Francis' apostolic letter *Patris Corde*: <https://www.kofc.org/patriscorde>.
- Try to have dinner with your family as often as possible this month. Say grace with them before the meal begins. Encourage your family members to prepare dinner and clean up together, too, if they are able to do so.

#### **Eucharistic Revival**

- Pray the Rosary the 13<sup>th</sup> of each month for the success of the Revival and an increase in devotion to Christ in the Eucharist.
- Find and practice another Eucharistic devotion.

**St. Joseph (March 19):** Make a special feast for your family. Invite friends over for a potluck and make a “St. Joseph Table” with a statue of St. Joseph.

**Holy Week:** The week we commemorate the passion, death, and resurrection of Jesus begins on Palm Sunday when Jesus triumphantly entered Jerusalem. Besides going to mass on Palm Sunday and Easter Sunday, try to participate in the other Holy Week Liturgies.

**Holy Thursday Mass of the Lord's Supper (March 28):** After this Mass, the Eucharist is processed through the Church to an altar of repose and people can stay in prayer until Midnight just as the disciples prayed with Jesus in the Garden of Gethsemane. The Visitation to Seven Churches devotion is done by visiting seven local churches after the Mass of the Lord's Supper on the evening of Holy Thursday. These visits recall the final seven places Jesus went from His arrest on Holy Thursday to His death on Good Friday.

**Good Friday of the Lord's Passion (March 29):** The 3:00 PM Liturgy is not Mass, but includes extended intercessions for the whole world, the Veneration of the Cross, and the opportunity to receive Communion. Consider praying the Stations of the Cross or the Divine Mercy Chaplet. This is also a day of fasting. The collection taken on Good Friday is always to support Catholics in the Holy Land. This is an important cause that the Knights of Columbus supports each year.

**Easter Vigil (March 30):** The Easter Vigil is the highpoint of the liturgical year. Make a plan to attend your parish's Easter Vigil if you are able.

#### **Honors for the Month of January**

Family of the Month: Alan & Carol Schindler

Vivat Jesus! ++SK Tom Stamp, Grand Knight

**Fourth Degree report:** For those of you who would like to become a 4th Degree Knight contact the Grand Knight for an application. We would like you to join us. The next 4<sup>th</sup> Degree exemplification is 20 April 2024 in Victoria Javier Espinales, PGK, Faithful Navigator

**Eucharistic Ministry:** At the beginning of this fraternal year, the Council assumed responsibility for weekend Eucharistic Ministry at the Silver Tree Nursing and Rehabilitation Center on FM 3009. Just as Jesus sent out His Apostles two by two, so do we work in pairs during each weekend of ministry. Right now, we have a vacant weekend with no team to support it. We need another team to cover down on this weekend and we have been searching for several months now. It is horrifying and disheartening that a Council of nearly 350 men of faith can't find two men willing to share some of their time on a Saturday morning one weekend a month by bringing the blessed Eucharist to the most vulnerable in our community. If you are interested in supporting this very important ministry, please contact the Grand Knight. You are welcome to do this with your spouse if that motivates you to volunteer.

**Annual Dues (Grand Knight):** This is directed toward those brothers that have not yet settled their outstanding dues. If you have already paid or contacted the Financial Secretary to make arrangements about your dues, thank you and there is no need to read further. Each of us makes 4 promises when we raise our right hand to join the Order. Number 3 is this: You promise to promote the well-being of your brother Knights and to support the mission and activities of your Council. While paying dues is a seemingly simple action, it is a very important function that is critical to the mission and activities of our Council. Therefore, it is also critical to the well-being of each brother Knight. Dues is not new and, just like Christmas and your birthday, it comes around at the same time every year. Therefore, there is little excuse for missing it. The Financial Secretary spends (wastes) a great deal of time and energy over many months contacting brothers about dues. For those that don't pay their dues and don't have enough courtesy to contact him and manage their dues with him, another group of brothers (the Retention Committee) must then waste their time chasing after the same group of brothers as well. We're almost at the point of exercising the Retention Committee, but this should NEVER be necessary. Please put your big boy pants on, show that you can manage your responsibilities as a man, and contact the Financial Secretary about your dues. If you are able, make arrangements to pay him. If you are not able, explain your reason to him and we may be able to waive your dues or work out a payment plan. If you have no intention of paying dues now or in the future, that's fine too. We'll happily put you on the Affiliate Member list, which takes you off our Council roster, and we'll bother you about dues no further. Regardless of the disposition, respect your brother Knights and contact the Financial Secretary about your dues. Your failure to do so will be interpreted as your intent to be placed on the Affiliate Member list. Financial Secretary John Hoeft can be reached at 618-567-9875 or [john.hoeft55@gmail.com](mailto:john.hoeft55@gmail.com).

## **Journey to the Foot of the Cross - 10 Things to Remember For Lent**

*Bishop David L. Ricken of Green Bay, Wisconsin*

**01. Remember the formula.** The Church does a good job capturing certain truths with easy-to-remember lists and formulas: 10 Commandments, 7 sacraments, 3 persons in the Trinity. For Lent, the Church gives us almost a slogan—Prayer, Fasting and Almsgiving—as the three things we need to work on during the season.

**02. It's a time of prayer.** Lent is essentially an act of prayer spread out over 40 days. As we pray, we go on a journey, one that hopefully brings us closer to Christ and leaves us changed by the encounter with him.

**03. It's a time to fast.** With the fasts of Ash Wednesday and Good Friday, meatless Fridays, and our personal disciplines interspersed, Lent is the only time many Catholics these days actually fast. And maybe that's why it gets all the attention. "What are you giving up for Lent? Hotdogs? Beer? Jelly beans?" It's almost a game for some of us, but fasting is actually a form of penance, which helps us turn away from sin and toward Christ.

**04. It's a time to work on discipline.** The 40 days of Lent are also a good, set time to work on personal discipline in general. Instead of giving something up, it can be doing something positive. "I'm going to exercise more. I'm going to pray more. I'm going to be nicer to my family, friends and coworkers."

**05. It's about dying to yourself.** The more serious side of Lenten discipline is that it's about more than self-control – it's about finding aspects of yourself that are less than Christ-like and letting them die. The suffering and death of Christ are foremost on our minds during Lent, and we join in these mysteries by suffering, dying with Christ and being resurrected in a purified form.

**06. Don't do too much.** It's tempting to make Lent some ambitious period of personal reinvention, but it's best to keep it simple and focused. There's a reason the Church works on these mysteries year after year. We spend our entire lives growing closer to God. Don't try to cram it all in one Lent. That's a recipe for failure.

**07. Lent reminds us of our weakness.** Of course, even when we set simple goals for ourselves during Lent, we still have trouble keeping them. When we fast, we realize we're all just one meal away from hunger. In both cases, Lent shows us our weakness. This can be painful, but recognizing how helpless we are makes us seek God's help with renewed urgency and sincerity.

**08. Be patient with yourself.** When we're confronted with our own weakness during Lent, the temptation is to get angry and frustrated. "What a bad person I am!" But that's the wrong lesson. God is calling us to be patient and to see ourselves as he does, with unconditional love.

**09. Reach out in charity.** As we experience weakness and suffering during Lent, we should be renewed in our compassion for those who are hungry, suffering or otherwise in need. The third part of the Lenten formula is almsgiving. It's about more than throwing a few extra dollars in the collection plate; it's about reaching out to others and helping them without question as a way of sharing the experience of God's unconditional love.

**10. Learn to love like Christ.** Giving of ourselves in the midst of our suffering and self-denial brings us closer to loving like Christ, who suffered and poured himself out unconditionally on cross for all of us. Lent is a journey through the desert to the foot of the cross on Good Friday, as we seek him out, ask his help, join in his suffering, and learn to love like him.

### **This Month's Challenge**

**"Whoever serves me must follow me, and where I am, there also will my servant be. The Father will honor whoever serves me."** (Gospel for March 17, Jn 12:26). Next to Our Lady, what greater model of faithful service to Jesus do we have than St. Joseph, the Lord's own adoptive father? In humble obedience to God, Joseph protected Mary and Jesus under the most difficult of circumstances. Although he says not a word in Scripture, the "silent" Joseph speaks volumes through his faithful actions. He is a model of manhood and discipleship for all Knights today.

### **Challenge by Supreme Chaplain Archbishop William E. Lori**

This month – in which we celebrate the feast of St. Joseph – I challenge you to pray a novena or another prayerful devotion to this great saint.

### **Questions for Reflection**

- What virtues do you see in St. Joseph as you read the Gospel narratives about the nativity and the early life of Jesus?
- How well do you practice these virtues in your own life, not only as a husband or father, but as a faithful disciple of Jesus?
- What specific concrete things can you do to grow in these virtues in your day-to-day life?

### **Pope Francis' Prayer Intention: FOR NEW MARTYRS**

Let us pray that those who risk their lives for the Gospel in various parts of the world might imbue the Church with their courage and missionary drive.

### **Ladies Auxiliary**

The Ladies Auxiliary will continue selling desserts at the Fish Fry Nights March 1, 8, 15, and 22 to raise funds to support our scholarships and other charity events. Ladies, please help support these events by providing baked goods and helping out with the sales each Friday. There will be no Fish Fry on March 29 so that all can participate in the Good Friday services as we prepare for Easter. Happy Easter to all. Be on the lookout for the scholarship applications and spread the news to graduation seniors that this opportunity is available to them. Information will be available on the church website and in the foyer of Good Shepherd and Immaculate Conception in the near future. We are also preparing the slate of officers for the election in April.
