Helping Our Families Prepare
Tempus fugit memento mori – times flies, remember death.

But death is not always easy to think about. While we live with Christian hope, we know that our death also means sadness and trial for those we love. We know that we will leave a void, and, depending on the circumstances of our own death, we may even leave loose ends.

But by thinking about the unthinkable, and planning for the inevitable, we may be able to reduce those trials and tie up some of those loose ends.

A PRAYER FOR PROTECTION IN TIME OF PANDEMIC

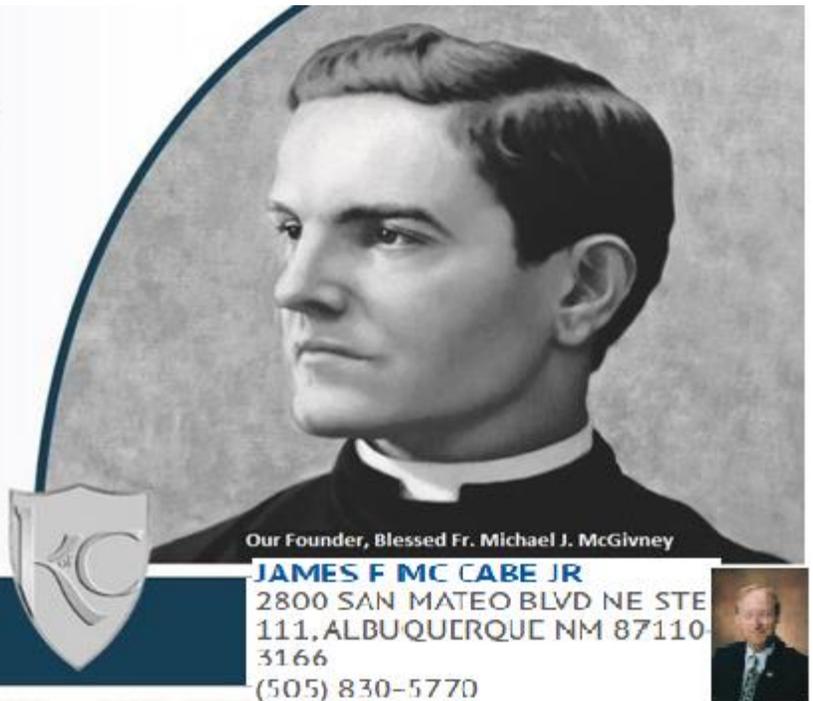

O Mary, you always brighten our path as a sign of salvation and of hope. We entrust ourselves to you, Health of the Sick, who, at the Cross, took part in Jesus' pain while remaining steadfast in faith. O loving Mother, you know what we need, and we are confident you will provide for us as at Cana in Galilee. Intercede for us with your Son Jesus, the Divine Physician, for those who have fallen ill, for those who are vulnerable, and for those who have died. Intercede also for those charged with protecting the health and safety of others and for those who are tending to the sick and seeking a cure. Help us, O Mother of Divine Love, to conform to the will of the Father and to do as we are told by Jesus, who took upon himself our sufferings and carried our sorrows, so as to lead us, through the Cross, to the glory of the Resurrection. Amen.

Under thy protection we seek refuge, O Holy Mother of God. In our needs, despise not our petitions, but deliver us always from all dangers, O glorious and blessed Virgin. Amen.

FOURTH DEGREE COLOR CORPS REGELIA

INFORMATION ABOUT THE [BLACK BERET](#) FROM [AR 670-1](#)

1) General. The [beret](#) is the basic headgear for utility uniforms in garrison environments. The beret is not worn in the field, in training environments, or in environments where the wear of the beret is impractical, as determined by the commander. Additionally, the beret is not worn on deployments unless authorized by the commander. Personnel being transferred from one organization to another may continue to wear the beret and flash of the former unit until they report for duty at the new organization.

(2) Wear. The beret is worn so that the headband (edge binding) is straight across the forehead, 1 inch above the eyebrows. The flash is positioned over the left eye, and the excess material is draped over to the right ear, extending to at least the top of the ear, and no lower than the middle of the ear. Personnel will cut off the ends of the adjusting ribbon and secure the ribbon knot inside the edge binding at the back of the beret. When worn properly, the beret is formed to the shape of the head; therefore, Knights may not wear hairstyles that cause distortion of the beret.

PURPOSE OF THE COLOR CORPS

When knighthood was in flower, knights carried the sword to defend their God, their Church, their country and their fellow man according to the code of chivalry. Today, Sir Knights wear regalia and carry the sword to honor Christ and His apostles, especially on religious and civic occasions. Hence, the primary purpose of the Fourth Degree is to encourage active Catholic citizenship and foster the spirit of patriotism in members and the community at large.
