May 2022

Brothers,

The Church dedicates the entire month of May to Mary, the Mother of God. As Knights of Columbus, we should always remember to turn our hearts to the gentle and glorious Virgin Mary, our Queen and our Mother. Our Order is entrusted to the protection of the Blessed Mother under her title: Our Lady of Guadalupe.

Mary's love encircles us, drawing us closer to her Divine Son. Under the veil of her protection, we take up her Holy Rosary as part of our spiritual armor. Every Knight is invested with the Rosary of the Blessed Virgin Mary when they are exemplified into the Order, and every Knight is expected to always carry their Rosary with them. Recall the invocation presented during the exemplification of the First Degree:

Mary, Mother of God, with her Knights, for the sanctity of human life in all stages.

Mary, heart of the Holy Family, with her Knights, for faithful marriages and joyful families.

Mary, the Immaculate Conception, with her Knights, for decency and purity in our world.

Mary, to whom her Son would refuse nothing, with her Knights, for justice and compassion for the downtrodden and all those who suffer.

Her Holy Rosary in our hands going where we go.

The salutation "Hail Mary" on our lips.

What challenge can we not face?

What victories can we not achieve?

These words echo powerfully and are a charge to each and every man who would call himself a Knight of Columbus – do you know where your Rosary is? More importantly, do you pray it daily?

With May being the month in which we honor Mary, Our Mother, consider this an open challenge to pull out your Rosary and pray it every day during the month of May in honor of Mary. If you already pray the Rosary daily, then this is already a habit for you, if not, maybe it is a good incentive to start.

Hail Mary! Vivat Jesus!

Anthony Caranna G.K.
Council 2045

MAY ASSEMBLY NEWS

Happy Easter to all of you!!! I hope this finds all of you doing well. I've always loved Easter time. I think it is because of the sprouting of the flowers and the greening up of the grasses and trees and the general rebirth that is visible around us in nature. As I've gotten older and more aware of my mortality, I think I am liking Easter more and more since I know that Jesus has conquered death and has opened the doors for us to be with Him for eternity. I can only say that I know this in my head but I do not really comprehend it and I'm still a long way from being able to say that I feel and know it in my heart. This is a time that strengthens my hope in things to come. I am trying to live and act in a way that hopefully is bringing me closer to Christ. Most days I think I am ok at this, but there are still times when I slip up and something like my short temper or my pride or my laziness get in the way. Just like for the past few days I've been procrastinating and struggling with putting this article together for some reason. I do not know why this one has been harder than the others but for some reason it has. Sorry Mic that I am so late in getting this to you. I pray that you all have a wonderful Easter season.

Here are some things that the Assembly was involved with this past month.: We held our regular business meeting on Thursday night April 7th. We voted to send 50% of the tamale fundraiser money (\$542.00) to go to the Rectory Furniture Fund. We voted on next year's officers. Most of the current officers are remaining in their current positions this next year. I want to say thank you to all of the officers who agreed to donate their time and efforts for this upcoming year. I have included the slate of officers for all to have.

3 year Trustee	Martin McDermed	Chip Wood

Holy Week, we led the procession prior to the 8:00 Mass for Palm Sunday. I was out of town on this day so I don't really have any details of this. Holy Thursday Mass several Knights had the honor of having their feet washed and then we led the procession from the church to the Chapel of Repose. Several Knights rotated standing guard for the first couple of hours then a few Knights stayed until Midnight for the closing of the Chapel. Easter day several Assembly members helped with the Easter Egg hunt for the kids of the parish.

Upcoming items are the next council meeting is May 5th aka Cinco de Mayo. Maybe the council meal will be some sort of Mexican food and we might have to fire up the margarita machine to make sure it still works. Mother's Day is May 8th which is absolutely a day we can't forget. We are planning our next Assembly Social Dinner for the following Sunday May 15th. Be watching for more

details about this as I get them figured out. May has 5 Sundays so we will have our next Patriotic Rosary prior to the 11:00 Mass on Sunday the 29th. The following day is Memorial Day. We plan on having a brief ceremony following the Monday morning Mass to show honor to those military members who died in service to our country. Please put these events on your calendar and join us if possible. June 4th is the next 4th degree exemplification which will be held in Longview. So far I am planning on going down there with Kirk Peterson who will join the ranks of the 4th Degree that day. Pray for us that we have safe travels and any of you 3rd degree guys that want to also join the Assembly please get with me.

We need to continue to keep our recovering Knights in our thoughts and prayers. Deacon Dave Garza is recovering nicely it seems from his back injury. Buz Babb and myself have both been approved to get rid of our slings but we both still have quite a road ahead of us recovering from our shoulder surgeries. David Benson has quite a ways to go still in his recovery of his back injuries but from what I hear remains in good spirits.

Thank you for everything that you do.
 Kyle Holloway

Above and Right: Knights preparing to serve the Annual Lenten Fish Fry.

Ways to Pay for Whole Life

We live in a world of options and we are constantly bombarded by choices. Some of these make our lives more complicated, but many of these choices are created with our satisfaction in mind.

At the Knights of Columbus, every product we offer has been designed solely for the benefit of our members and their families. When I present an option to you, it's because a team of experts has discussed it at length to be certain it serves your best interest.

We have a few options on how you can provide and pay for the whole life coverage that your family needs. Many whole life policies call for premiums to be paid for your entire life or to age 100. But we also offer permanent life coverage with guaranteed cash values (and the potential to earn dividends, which are not guaranteed) through policies that offer a limited period of premium payments.

First, we offer "10 Pay Life" and "20 Pay Life." Consider paying premiums for 10 or 20 years, and never having to pay for the coverage again. The plan is "paid up" and no more premiums are due. The plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

A plan with similar benefits is "Life Paid Up at 65." The difference over 10 or 20 Pay Life plans is that this permanent product requires you to pay premiums until age 65. Then, premiums stop (just in time for retirement), but the plan remains in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance — permanent life insurance — and only paying one single premium? It's possible.

To learn more about these products, our long-term care insurance, disability income or retirement products, please call me today.

God Bless
