Special E-mail Communications from Worthy FN Brian Park

November 3, 2013

Hey Brothers,

I try to keep the emails to a minimum, but I just gotta share this with you. Today I participated in the fallout for the confirmation mass, and it went great, real smooth, but the time I like best is talking to my brother Knights before and after the mass (this is a real blessing and something that we forget to mention when we talk about fallouts).

So then after the mass, we cruised over to the cemetery for the blessing of the graves. Guys, words can't express what a beautiful picture this was. It's a beautiful cemetery we have there and the weather was perfect. Knights in regalia. Fellow parishioners. Our favorite priests. And our Faithful Departed (may they rest in peace). We spent a few minutes visiting with some folks we hadn't seen in a while and then Msgr. John led us in the opening prayers and we started the processional through the cemetery. So far, so good.

Since there were two priests, at some point Msgr. finished a Hail Mary ". . . pray for us now and at the hour of death. Amen." . . . and without missing a beat shouted, "TAKE A LEFT, FRANK!"

So Frank and Lionel and I and Fr. Ryan all break off to the left and the rest of the procession continues on down the lane. OK, no problem.

Now then, eventually our little detachment gets past all the occupied plots and we're just walking down the lane and we look around and figure we ought to get back with the main procession. We are walking along and discussing whether we ought to continue on the lane or just cut through the grass. Fr. Ryan says, "Cut through the grass!" Through the grass? Father said so! OK, through the grass! So now we figure we're doin' good, headed back to the main group, but we're still like 100 meters away. Then from across the park we hear Msgr. John's command voice, ". . . as it was in the beginning, is now, and ever shall be, world without end. Amen. HURRY UP YOU GUYS!"

So we start running.

Picture this. It's a beautiful Sunday afternoon at Mt. Calvary Cemetery and you look up and see three guys in tuxedos and full regalia being chased through the graves by a priest carrying a bucket of holy water! Ha!

My eyes fill just thinking about it! So then we finally get back to the group and fall right in line like nothing happened! Ha! Oh man, I love the Knights!

Listen, in the 4th Degree we do take part in many solemn ceremonies. Special Masses. Funerals. Flag ceremonies. And this means that we participate in a way that adds to the beauty and dignity of the event and in a way that honors our Lord, and our Assembly does a great job here.

What I want us to remember is what a pleasure it is to be a Knight and what fun it can be. Where else can grown men get away with running through a cemetery wearing capes and swords without people thinking, "Them guys ain't wrapped too tight!"

Enjoy your week, guys.

IF YOU'RE JUST STARTING OUT, IN YOUR PRIME, OR THINKING ABOUT RETIRING . . . READ ON! [Reprint from last year's Nov-Dec newsletter.]

If you're lucky enough to have a retirement plan at work consider yourself fortunate! Especially if you have a defined benefit pension plan which is fully funded by your employer! While these retirement plans are not as popular as they once were, they are still out there & can provide for a safe and secure retirement. Government employees, TXDOT, Postal, Police, Fire and EMS employees, power, electric, phone, railroad & utility employees, ISD employees & many other larger institutions continue to offer these retirement plans. Social Security is an example of a defined benefit plan which provides a guaranteed income for life! While these can be really great plans they do come with some serious drawbacks.

Take Social Security for example, while you are guaranteed a certain amount of monthly income during your life, there are no retirement benefits for your family (your spouse can choose the higher of the two checks, but, loses one of the checks) OUCH! Your family is not totally left out though...they will receive a whopping \$255 total! Now, if you live a long life, the Social Security Retirement system works well for you. It's just not friendly to your family as the children do not receive any benefits at all unless they are under age 18 when you pass!

The same holds true for Pension Plans. They can be wonderful if you & your spouse live a long life, but, have some very serious and costly drawbacks if you don't! Why, because just like Social Security these pension plans do not have or have very limited benefits for your family! When you retire as an employee with a pension plan in place you have some very important decisions to make... Take a full pension, a reduced pension, roll it over into an IRA, etc. The decision you make is very important as in most cases it is irrevocable. The most popular decision is for the retiree to take a reduced monthly pension to make sure their spouse will receive all or a portion of their pension income for life. Why, because that seems like the right thing to do...to take care of their spouse, right?

In some situations this may be the best decision, but, in most situations it is not!!! This can be a very costly decision which may never provide any benefits to your spouse and in most cases not any benefits to your children. This decision alone can cost your family hundreds of thousands of dollars in benefits. This is not a joke and is something you need to look at now, rather than later because there is a better way to handle this situation. A way that will guarantee you, your spouse & your children will receive the maximum benefits from your retirement plan. Some of the larger pension providers are TRS or ERS (School teachers & employees), TMRS (City, County, State & Federal employees), Electric, Hospital, Phone, Power, Railroad & Utility employers. Employees from these industries or any retirement plan participants are highly encouraged to contact Field Agents Doug or Jody Supak to discuss this all important matter. This is something that needs to be done sooner rather than later, as the sooner in life you review this, the more opportunities you'll have to take action which will save you a lot of money.

Doug & Jody can be reached at (979) 968-5332 or email them at supakins@cmaaccess.com. This is way too important for you to delay, so contact Doug or Jody today!

PROMOTING THE FOURTH DEGREE

Through their leadership and dedication, Fourth Degree Knights have earned their place as the most visible arm of the Order. Having a close relationship with a Fourth Degree assembly will benefit your council and its members. Not only are Fourth Degree members less likely to lapse or go inactive, but they also know the importance of active members and what they mean to projects, events, volunteering, and so on. To bridge any gaps that may exist between your council and assembly, agreeing on a Fourth Degree representative or liaison is a good idea. This way, the council will have a go-to person who can represent the assembly and take any questions or concerns that may arise when organizing, scheduling, or meeting. Along with the Fourth Degree representative serving the council, it is good to periodically, if not regularly, invite the Faithful Navigator to report on assembly activity at council meetings and to recruit members for the Fourth Degree.

To qualify for the Fourth Degree, a member must be 18 years of age or older, a citizen of the country in which he resides, and a Third Degree member in good standing with his council. There is no waiting period between the third and fourth degrees. Ideally, every Knight should become a Fourth Degree Knight to make the Order's presence in the community more visible and to assist councils in recruitment efforts.

SERVING THOSE WHO SERVED

Our military personnel voluntarily act as protectors of our nations, standing on the front lines while keeping us safe behind them. The Knights of Columbus acknowledges this unselfish act of patriotism by promoting the "Serving Those Who Served" program. Members of the Order should honor and assist these men and women. To honor military personnel for their services, assemblies and councils can give their time volunteering at veterans' hospitals, clinics, and health care facilities. This is a great way to show veterans that their efforts and sacrifices are not forgotten. Councils can also send greeting or birthday cards to hospitalized veterans and military personnel stationed away from home. Let the veterans and current members of the military know that the Knights of Columbus appreciates their service and sacrifice. Take time to honor or assist them in a way that is worthy of their military service.

The Veterans Affairs Voluntary Service, VAVS, is the vehicle that assemblies use in the "Serving Those Who Served" program. Through this service, the Knights of Columbus Fourth Degree Veteran's Hospital volunteers are organized by having one of their members become a certified representative at the hospital. Our certified members attend hospital meetings and organize efforts for K of C volunteers. The Knights of Columbus currently has a VAVS Committee at almost every VA medical center and clinic in the United States. These committees consist of at least one certified representative and up to three deputy representatives from the Knights of Columbus. In the United States, the VA hospitals, clinics and facilities need all types of volunteer services — from program planning to visiting veterans. For more information on this outstanding program, please contact your Fourth Degree district master or locate the closest VA Medical center.

Assemblies and councils can also honor military personnel and veterans throughout the year by presenting them with Patriotic Service Award certificates. These certificates are available from the Supreme Council Supply Department. Also available is the Armed Forces Certificate that can be presented to members of the military as an expression of gratitude for service to the defense of "mankind's basic rights to a life of freedom and dignity."

HISTORY OF BISHOP N. A. GALLAGHER ASSEMBLY

In the early years of the Fourth Degree Knights of Columbus of the State of Texas, the state was divided into the Southern district and the Northern district. Five Sir Knights were assigned to the Southern district with headquarters in Houston. They were Father J. B. Gleissner, Frank Zubic Sr., Raymond Valouch, Gus Schultz, and H. B. McDowell. In 1936, Joe Havel, Frank Havel, Frank Schultz, Jerome Zubik, Sam Restivo, and Father Tim Valenta joined the Fourth Degree in Houston. This provided enough membership to institute an Assembly in Bryan. On June 8, 1940, the charter was drawn up with the Houston Assembly officers doing the honors. Bishop N. A. Gallagher was chosen for the Assembly name because Bishop Gallagher was the Bishop of Galveston who ordained Father Gleissner as a priest. Father Gleissner became the first Friar, and Louis Bolmanski became the first Faithful Navigator. As membership grew, the state was divided into districts in accordance with the Diocese boundaries. Assembly 1091, being in the Austin Diocese, became part of District VI. Four local Sir Knights were privileged to serve as District Masters in the Austin Diocese. They include Jerome "Jack" Zubik, Colonel Walter Parsons, Frank Scanlin, and Joe Moreno, Jr.

FOURTH DEGREE ORGANIZATION INFORMATION

The Fourth Degree is the highest degree of the order. Members of the degree are addressed as "Sir Knight." The primary purpose of the Fourth Degree is to foster the spirit of patriotism and to encourage active Catholic citizenship. Fewer than 20% of Knights join the 4th Degree, which is an optional degree.

Assemblies (such as our Assembly 1091) are distinct from councils and are led by a separate set of elected officers. The Supreme Board of Directors appoints a Supreme Master (currently Joseph P. Schultz), and twenty Vice-Supreme Masters to govern the Fourth Degree. Each Vice-Supreme Master (our VSM is Paul Weigl, Jr. of Oklahoma) oversees a Province (our province is Our Lady of Guadalupe) which is then broken up into Districts (our assembly is in District VI). The Supreme Master appoints District Masters to supervise several assemblies (our District Master is Phil Leibowitz).

Each assembly is led by a Navigator (our Navigator is Brian Park). Other elected assembly officers include the Captain, Admiral, Pilot, Scribe, Purser, Comptroller, Sentinels, and Trustees (refer to previous listing of Assembly 1091 officers). A Friar (our Friar is Monsignor John McCaffrey) and Color Corps Commander are appointed by the Navigator. Assembly officers are addressed by using the title "Faithful" (for example, Faithful Navigator). Assemblies are numbered in the order they were chartered into the Order and named by the local membership (as discussed earlier, our Assembly 1091 is named after Bishop N. A. Gallagher).

Office	Color
Vice-Supreme Master	Blue Cape and Blue Chapeau
District Master	Gold Cape and Gold Chapeau
District Marshal	Green Cape and Green Chapeau
Faithful Navigator	White Cape and White Chapeau
Assembly Commander	Purple Cape and Purple Chapeau
Color Corps Members	Red Cape and White Chapeau

Only Fourth Degree Knights may optionally purchase the full regalia and join the Assembly's Color Corps. The Color Corps is the most "visible arm" of the Knights as they are often seen at masses, funerals, parades, and other local events wearing their colorful regalia. Official dress for the Color Corps is black tuxedo, service baldric, white gloves, cape, and naval chapeau. White tuxedos may also be used on certain occasions, especially at the Supreme and State levels. Baldrics are worn from the right shoulder to left hip and are color specific by nation. In the United States, baldrics are red, white, and blue. A service baldric includes a holster for a sword and is worn over the coat while a social baldric is worn under the coat. The colors of the cape and chapeau denote the office that the Sir Knight holds in the Fourth Degree. Faithful Navigators and Past Faithful Navigators carry white-handled silver swords. Masters and Vice-Supreme Masters, including Former Masters and Former Vice-Supreme Masters, are recognized by gold swords.

The need for a patriotic degree was first considered in 1886; a special plea was made at the National Meeting in 1899. The first 4th Degree exemplification was in 1900 with 1,100 Knights participating at the Lenox Lyceum in New York. Today, the order has more than 2,500 Assemblies.
