NEWS

We extend our deepest sympathy to the family of Richard Sifuentes who passed away on November 7, 2018. His presence will be missed by the members of St. Ann's, and the community of Somerville, along with the members of our Assembly.

We wrap up another year with our meeting on December 10, in Caldwell. It will start at 7:00 PM, and will consist of whatever Santa Claus brings down the chimney. Probably will be some kind of deer meat, since there are a bunch of them being harvested this year.

Our 2019 dues are due, and Marty will have his big bank bag to collect them at our meeting. They are still a bargain at \$25.00, and include a complementary carrying card at no extra charge.

We will be looking ahead to the Texas March for Life, to be held on January 26, 2019. At this time there is no information as to the Mass times available on the Diocesan web site. The march is tentatively scheduled to start at 14th and San Jacinto at 1 pm. I assume we will still be able to fall out in our present Regalia.

We want to acknowledge the 100th birthday of our Brother Sir Knight John Vollentine, which took place on November 2, 2018, and was celebrated at the VFW Hall in Caldwell on November 10. I am sure he is the first member of our Assembly to reach that goal, and we congratulate him on that accomplishment.

A NOTE FROM THE EDITOR

From our family to yours, we wish you joy during this Holiday Season, and may you enjoy the things that matter most, the gift of your families and friends as you share time with them, and the birth of our Savior, Jesus Christ, and which is the best gift of all.

Merry Christmas

CHRISTMAS

BEGINS WITH

Christ
