## FLAG DAY 2014

Flag Day 2014 – June 14 – will mark the 60th anniversary of the words “Under God” being added to the Pledge of Allegiance to the flag of the United States. As you know, the Knights of Columbus played a key role in having these words added to the pledge. I hope that you’re also aware – and proud – of the prominent role the Order continues to play in ensuring that they remain part of the pledge. In these days when there seem to be efforts to remove any and all references to God from the public square, it’s important to remind people that **freedom of** religion should never be confused with **freedom from** religion.
