Faithful Navigator's Message

Greetings Sir Knights and Ladies,

Thank you all who attended the Officers installation ceremony and dinner. All officers were present except SK Victor Quesnot who had a death in the family and SK Chris Anders whose wife had surgery. The dinner was so delicious thanks to SK Ernie who spent hours and hours preparing the briquette and sausage. The side dishes were so many it was just impossible to taste them all. Thank you Lady Mary Quesnot for the two big yummy cakes.

I'm sorry there was such a confusion over the evening dress. I guess some folks thought I wrote evening gown. But it turned out OK as it seemed some came as you are anyway.

For the Sir Knights that are shown by su-

preme to have full regalia you will be contacted as we are trying to build up a strong color corps unit. If the Supreme figures are correct, in our assembly there are 98 members with full regalia. These members shown on the Supreme website have not been filtered by the age of members as one does not know who can and who can't turnout. In any case It's hard to figure out why we have such a poor turn out ratio if the fourth degree is the visible arm of the Knights of Columbus.

We do have Sir Knights that would like to turn out but lack the funds to purchase their regalia. If you have regalia and it just hangs there without use, maybe you could consider donating it to the assembly or selling it at a reasonable price so we can get more troops on the ground in regalia. Pray about it...

HAMBURGER SITUATION

As of now we are continuing our hamburger fund drive which has not been producing a reasonable income. However we are looking at every possible option to get it where it should be. The areas we are looking at are the rent we pay for the kitchen, the meat, cheese, veggies, condiments, supplies and waste. Some key players are for finding other avenues of raising funds but for now we will keep doing what we've been doing.

I've updated the kitchen duty for the balance of the year, we'll take another look at the results in January to see how we are doing then we can decide which direction we should take.

Some of you have indicated it would be easier to remember when you are scheduled for kitchen duty if it was on the calendar so on the calendar it will be however I've included the yearly schedule to help you plan your time.

LOOKING GOOD

Sir Knight Jose Montez Stopped by Friday night during Hamburgers to say hello and he looks like he's doing real good on his recovery from heart surgery. Keep doing what you're doing Jose you're looking great..
